2011 TRUCK DRIVING CHAMPIONSHIPS

Complete both sides of the attached form and return with appropriate fees to the address listed below for the region in which the driver will be participating. For more information, contact the Local Chairmen listed below.

Note: Membership in TMTA is not a requirement to compete in either Regional or State Competitions. However, membership in ATA is required to advance to Nationals with two exceptions. Exceptions: (1) Each State is allowed one Non-ATA member National representative and (2) Drivers representing companies in which the companies have never before been represented at Nationals may compete.
