

## 2008 DFW Regional TDC

Hello everyone,

The 2008 DFW Regional Truck Driving Championship is just around the corner. It will take place Saturday May 17<sup>th</sup>.

For those of you new to the Council, every year we organize and operate the DFW Regional Truck Driving Championship. This is sanctioned under the auspices of the Texas Motor Transportation Association (TMTA). I'm very excited and honored to be the Chairman this year. This event has always been a fun experience and is a good way to get to know Council members outside the monthly meeting and a way to give back to the industry what they have brought to us. Remember, "You name it, a truck brought it."

Please join us on May 17<sup>th</sup> at FedEx Freight, 3100 S. Beltline Road in Irving, Texas 75060. You will be impressed by the pride and professionalism shown by each driver in this competition. The 1<sup>st</sup> and 2<sup>nd</sup> Place winners will advance to the State Championships, where they will compete to advance to the ATA National Championships.

If you would like to get involved, no prior experience is necessary. Just show up and we'll find something for you to do. Below is a list of the chairmen, if you would like to contact them directly and volunteer.

We are also requesting corporate or individual sponsors to help defray the cost of the event. Any amount will be acknowledged and appreciated.

If you have drivers interested in competing or wish to be a sponsor, more information is available on our website: [www.dfwcsp.org](http://www.dfwcsp.org) under the TDC link.
